Re: Public Records Request

Dear Mr. Sinyangwe.

I would like to apologize for the delay in my response. In reference your letter dated July 16, 2019, our agency is gathering your requested documents. The information requested is being gathered from multiple bureaus and divisions within the Alachua County Sheriff's Office and this will take some time. Once all the documents have been gathered, I will send you an estimate for the cost for processing.

Sincerely,

SADIE DARNELL, SHERIFF
